This report is being amended in response to the Commission's request, dated 03/09/2007. All totals have been corrected through this and previous amendments. The expenses for polling on Schedule H4 did not meet the definition of Federal Election Activity. It was for internal polling that was not shared with any campaigns nor was it appended to the voter file. The expenses for Voter ID Canvassing on Schedule H6 were incorrectly described. These transactions should have been labeled as GOTV Canvassing, like the other transactions during this period. This report does not disclose any transfers from the Levin account into the Federal account for anything other than Allocable FEA.
